

The Sun on her Scarf

{google}3819464090867303200{/google} The Sun on her Scarf Author: katarina Rešek

"What is it like to be a female in Istanbul?" was one of our main questions, which led us to the topics of the headscarf, personal freedom, ideals, rules, etc. We met a lot of women who told us their stories, their point of view and their experience. Headscarfed or not, they all have something in common…
