

Bojan Matjasic

Bojan Matjasic, freelancer, working on projects connected with cultural studies, design, video, multimedia and youth culture.

Born in 1979, finished his high-school education at the 'High School of Design and Photography' in Ljubljana. B. A. in Ethnology and Cultural Anthropology (University of Ljubljana, Faculty of Arts). Works on different projects with authorial emphasis on video and multimedia.

During his high school and university studies he was staying at Ivan Cankar Student's Home where he was actively involved in projects of NGO 'Pozitiv' in various pedagogical and creative activities for several years. He has also worked on many other projects, mainly connected with cultural studies, design, video, multimedia and youth culture. With his authorial work he tends to evolve in a professional way, and is already a recognized author. He has also made several commercial productions in the field of video and multimedia for different production houses and institutions. He also acts as mentor of different workshops where he works with young people. WEBSITE: <http://www.pozitiv.si/boko>
