

Tale of a very small rock

{google}-8437488548364142188{/google}Tale of a very small rockAuthors: Blaž Ba ar, Nejc Bahor Animation was made during the Divided god youth exchange. It is about »the birth of religion«, global capitalism, greed, r'n'r, apocalypse and our uncertain future. This animation betrays the former president of Slovenia, coca cola, mcdonalds, stones, religion in general, ourselves and many more.
